UNION OF CONCERNED SCIENTISTS

September 27, 1976

Dear Sir:

Enclosed please find a piece of correspondence which we received on Fri., Sept 24th. Though, the handwriting is barely legible it seems to refer to a policeman's murder and two people's names.

The note may indeed be merely the work of a crank but I thought it should be forwarded in the event that it is not.

Sincerely,

cc: [redacted]
